

Cybersecurity experts on your side

February 2021

Leonardo Corso

Pre-Sales Engineer
ESET Australia

A futuristic digital cityscape with glowing blue lines and structures, suggesting a high-tech environment. The background features a complex network of glowing blue lines and structures, resembling a digital cityscape or a complex data network. The overall color scheme is dark blue and black, with bright blue highlights from the glowing elements.

**Let's talk about
breaches**

Canon data leaked online after company refuses to negotiate with ransomware attackers

By Joel Khalili 13 days ago

It appears Canon has not yet given in to ransom demands

Over 82,000 Aussies' details leaked in crypto scam

Drinks maker Lion shuts IT systems after 'cyber incident'

Retailer IN SPORT's head office hit by ransomware

Fisher & Paykel Appliances struck by Nefilim ransomware

BlueScope IT 'disruption' feared to be ransomware attack

Toll Group confirms "targeted" ransomware attack

ASIC joins Reserve Bank NZ as victim of Accellion hack

18 AUG 2020 CARNIVAL CORPORATION HAS BEEN HIT BY A RANSOMWARE ATTACK ON ONE OF ITS BRAND'S IT SYSTEMS.

Australian universities investigating 'deeply concerning' hack of controversial exam software

Garmin goes down after suspected ransomware attack

Service NSW hit by email compromise attack

Mass hack incident exposes Tasmanian patient's medical data on public website
